100% Cannonau grapes. Ruby red in colour with an intense rich bouquet

Giancarlo & Katie Caldesi have been enjoying natural wines on their trips to Italy for the past 20 years. Now we are pleased to present you their top ten.

Natural wines are made by traditional wine makers who focus on sustainable agriculture and often organic or biodynamic farming methods. They produce smaller quantities of wine with minimum intervention and usually low levels of sulphites. This makes the wines better for your health and your head the following day!

49	Malvasia Puntinata Roma, Principe Pallavicini 100% Malvasia del lazio	£	42.00
