## The Wines

### **Grani di Nero Vino Spumante Rose' Brut Merotto NV**

A delicious berry fruit nose with a rounded softness. The palate is creamy with berry fruit, notably strawberry, persisting and a long, easy finish.

### **Verdicchio dei Castelli di Jesi DOC Raphael Piersanti 2021**

The colour is straw yellow, sometime with subtle green shades that turn to golden with mature fruit perfume. The zesty palate offers lime and Bosc pear alongside tangy acidity that leads to a clean finish.

### **Lambrusco Reggiano DOC Concerto Medici 2021**

This is real Lambrusco and old ideas about this wine must be thrown out.

It is the traditional red wine of Bologna and Modena, and has now returned to its old style, thus undergoing a transformation to what it should be. The red Lambrusco grape is capable of producing a scrumptious wine. It is a dry, red and with a complete sparkle, it is a full, juicy mouth filling wine that is a brilliant accompaniment to rich cuisine.

### **Langhe Nebbiolo La Chiusa DOC Chionetti 2018**

Certainly Nebbiolo is formidable, with fierce tannins and acidity, but it is also gloriously scented and 'tar and roses' is the classic description. It has a supple, evocative flavour that lingers on the tongue.

### **Moscato d'Asti DOCG Cascina Castlet 2021**

In the mouth this wine expresses notes of candied lemon and yuzu zests associated with small notes of fleshy vine peach, candied pineapple as well as discreet touches of sweet pink grapefruit and an imperceptible hint of flowers.
